**Here is the WKF - World Kickboxing federation, the real global Player!**

**Dear friends in Sport,**

World Kickboxing Federation was founded 1963 in USA and since January 1<sup>st</sup> 2011 I am the C.E.O. or World director of WKF - World Kickboxing Federation, which is doubtless the fastest growing World sanctioning body, with events everywhere in the World.

How it goes:

The WKF team and myself, plus our international fighters, promoters, referees, managers and all kind of officials around the World started 2009 with a new program. Easy you can check our web site **[www.wkfworld.com](http://www.wkfworld.com)** and like everybody you could see our great success in our development. In the last Years WKF was doubtless the fastest growing World federation, because of our serious and hard work. We don't need any fake events because we are really busy with our 6 WKF continental offices. Have a look on our web sites and you will understand.

Weekly updated event schedule and our World rankings with the current Champions and all upcoming title fights around the World. You could down load many important information's, rules, invitations for tournaments and much more.

You want to join our federation and as promoter or represent your country ? We have only two kind of country presidents and promoters, active and very active one's. Non - active we don't have in WKF 😊

Pro Point Fighting – or often called PPF - is the special division for Top class “Semi contact or point fighters” in the World. WKF offers here for any global promoter to organise a real title fight with a great value, with an amazing Champion belt, on mats or in the Ring. A perfect opportunity for amateur tournament, to have an international title fight without extra costs. The way to get a title sanction is same like in ring sport. Rules, PPF World ranking, event schedule on <http://pointfighting.wkfworld.com/>

## **WKF AMATEUR DIVISION**
